

EMPLOYMENT OPPORTUNITY

The Bahamas Reef Environment Educational Foundation (BREEF) is looking for a dynamic person to join our team. The ideal candidate will possess strong communication and organizational skills with excellent follow through.

Education Coordinator

The successful candidate will serve as the point person for BREEF's Eco-Schools and Bahamas Environmental Steward Scholar (BESS) programs and will lead the coordination and implementation of educational, school-based field and classroom programmes. The candidate will be based in New Providence and will work full-time with our team of committed staff to fulfill BREEF's mission: To promote sustainable use of our marine resources to a variety of audiences by linking science, education and environmental policy. Salary commensurate with experience.

Responsibilities

- Facilitate promotional and recruitment exercises for the BESS and Eco-Schools programmes.
- Develop and acquire promotional, educational and other programme resources.
- Work directly with Eco-Schools Coordinators to mentor schools through the Eco-Schools programme
- Coordinate for sharing opportunities and networking between local and international Eco-Schools
- Support BREEF's other school-based and public education activities

Eligibility Criteria

- Bachelor's degree in science education/environmental studies
- 3 + yrs. of teaching in K-12 school
- Excellent planning and organizational skills
- Excellent interpersonal, oral and written skills
- Ability to travel local and internationally
- Computer literate, good communication, writing, analytical and problem-solving skills

Application Instructions

If you share our commitment and would like to join a strong dynamic team, please submit a cover letter and resume to shenica@breef.org by Friday September 29, 2017. Successful applicants can start work in October.
